Movement. Culture. Competition. Community.

I photograph the people who make the event happen — not just the floor.

Organizers. Judges. Key figures. The pressure behind the scenes.

He really understands how to capture the soul of an event.

Ani Avagian | Dancer / Event Organizer | Planetronix, Sweden

In May 2025, Mykey joined us at Asa Folkhogskola in Sweden for our graduation event Planetronix, an allstyle battle to popping music and our constellation of the Scarecrow/Puppet/Space exhibition.

He was an absolute pleasure to work with from start to finish.

He was trustworthy, easy to communicate with, and very professional throughout the whole process. From the early setup to the main event and even the clean-up afterwards, Mykey had an incredible eye for capturing the most beautiful and authentic moments of the dancers and the atmosphere.

He balanced being socially present with staying professional, which made everyone feel comfortable while he worked.

The photos were delivered the very next day in high quality, which was incredibly impressive and super efficient.

We are truly grateful for his work and would warmly recommend him to anyone looking for a photographer who really understands how to capture the soul of an event.
